UGC has appointed a Committee to consider a further revision of pay-scales of teachers in universities and colleges. No such committee has been set up for non-teaching employees.

(c) The terms of reference of the Committee are:

(i) To examine the present structure of emoluments and conditions of service of college and university teachers, taking into account the total packer of benefits (such as superannuation/medical/housing etc.).

(ii) To make recommendations on the above having regard to the necessity of attracting and retaining talented persons in the teaching profession, and providing professional advancement opportunities to teachers of colleges and universities.

(d) The Committee is expected to finalise its work by March, 1986.

Vacancies in the Central Council for Research in Yoga and Naturopathy

2588 SHRI K. VASUDEVA PANICKER: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that a number of senior level posts are lying vacant in the Central Council for Research in Yoga and Naturopathy for a long period;

(b) if so, what are the details of these vacancies and since when they are lying vacant; and

(c) by when these vacancies are likely to be filled?

THE MINISTER OF STATE IN THE DEPARTMENT OF HEALTH (SHRI YOGENDRA MAKWANA): (a) and (b) No Sir. There are only two senior level posts vacant at present—(i) Assistant Director (Naturopathy) since 1978 and Assistant Director (Mobile) since 1981.

(c) At present it is not possible to fill these posts due to ban on filling of posts.

Proposal for introduction of Naturopathy in C. G. H. S. Dispensaries

2589. SHRI K. VASUDEVA PANICKER: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether a proposal to introduce Naturopathy in CGHS dispensaries is under Government's consideration; and

(b) if so, by when a final decision in the matter is expected to be taken?

THE MINISTER OF STATE IN THE DEPARTMENT OF HEALTH (SHRI YOGENDRA MAKWANA): (a) and (b) At present no proposal for introduction of Naturopathy in CGHS Dispensaries is under consideration.

States Plagued with Frequent Power Failure

2590. PROF. C. LAKSHMANNA: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether Government are aware that all the States are plagued with frequent power failures resulting in Industrial losses, etc.;

(b) whether Government plan to call a meeting of all the State Electricity Boards to acquaint themselves of their problems and to ensure an uninterrupted power supply in the country; and

(c) if so, by when such a meeting will be held?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER (SHRI ARUN NEHRU): (a) Haryana, Punjab, Uttar Pradesh and Rajasthan in the Northern Region; Karnataka and Tamil Nadu in the Southern Region; Bihar, West Bengal and Orissa in the Eastern Region are facing varying degree of power shortages.

(b) and (c) A continuous inter-action between Department of Power/Central Electricity Authority and the State Govts./State Electricity boards is taking place to

improve power generation and power availability in the country. The State Electricity Boards are given assistance in getting timely and adequate supply of inputs like coal, oil etc. and are also being assisted in expediting supply of equipment and spare parts from various manufacturers. Depending upon the power availability in the various States, assistance is also arranged from power surplus States to power deficit States. However, there is at present no proposal to call a meeting of all the State Electricity Boards.

Shortage of Powed in the Country

2591. SHRI BISWA GOSWAMI: Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) what are the States which are in acute shortage of power and their approximate shortage per year;

(b) whether their requirements have been assessed by the Central Government;

(c) whether these shortages are due to non-implementation of projects which are pending with the Central Government for clearance;

(d) whether any of the projects are pending for clearance by the Planning Commission; and

(e) if so, the details thereof?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER (SHRI ARUN NEHRU): (a) Statewise actual power supply position in the country during the period 1984-85, and April-July, 1985 is given in Annexure I. [*See* Appendix CXXXV, Annexure No. 54]

(b) Yes, Sir.

(c) It is not correct to say that the power shortages are due to non-clearance of the projects by the Cetral Government. In fact, all the generation projects which are likely to give benefits in 7th Plan period or even early part of eighth plan have already been cleared by Central Electricity Authority and approved by the Government of India for execution.

(d) and (c) 57 Nos. of new thermal and hydel projects with an aggregate capacity of 12198 MW have been accorded techno-economic approval by CEA but these are being processed for investment decision by the Planning Commission/inclusion in the Plan. The details of these schemes are given in Annexure-II. [*See* Appendix CXXXV Annexure No. 55].

Advisory Board on Energy

2592. DR. BAPU KALDATE:
SHRI BISWA GOSWAMI:

Will the Minister of IRRIGATION AND POWER be pleased to state:

(a) whether the Advisory Board on Energy has recently submitted its assessment of requirement of energy in the year 2000;

(b) if so, what are the salient features of the assessment;

(c) whether the forecast of energy demand and supply for the next fifteen years has been assessed by the Board;

(d) whether the Advisory Board has cautioned about heavy deficit in the oil sector; and

(e) if so, what are the measureds proposed to meet the energy demand?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER (SHRI ARUN NEHRU): (a) to (c) The Advisory Board on Energy has prepared a Report entitled "Towards a Perspective on Energy Demand and Supply in India in 2004-05". The Report projects the demand for energy in various sectors of the economy in the year 2004-05 under alternative assumptions regarding population size and Gross Domestic Product (GDP) growth, as also the supply options now available to meet the said level of demand of energy in 2004-05.

(d) and (e) The Report indicates that the deficit in respct of availability of oil
